The annual Hunger Walk/Run, sponsored by The Atlanta Community Food Bank, is our primary source of food for the Suthers Center Food Pantry. Every dollar donated becomes a credit to our ACFB account. For the last few years, we were able to raise enough money to fund the Pantry for the entire year...we can do it again! Our goal is \$30,000.

Last year we distributed 162 tons of food to 1,045 different households that included 4,047 of our neighbors in need. Please help us in our 2026 service to our community.

All donations need to be online – [no checks](#). If you can only donate by check, [contact us](#) and we will work with you.
